

Movers and Shakers

Year 1/2 – Willow Class

Autumn term 2021

In the Movers and Shakers project, your child will learn five statements from Dawson's model that will help them identify people who are historically significant and use the words year, decade and century to describe dates and times. They will study the life and impact of a significant person in the locality and of 10 significant individuals from around the world. They will complete in-depth studies of significant explorers Christopher Columbus and Neil Armstrong, and significant activists Emmeline Pankhurst and Rosa Parks and think carefully about the impact of their actions. The children will also carry out an independent study of a significant person from the past and learn about people who are significant today. They will also learn how significant people are commemorated and design a memorial for a person they have studied.
